yesterday. Mrs. E. E. Davidson, wildow of the former District assessor, Joseph H. Davidson, makes known her willingness to accommodate the railway officials with a plot of ground sufficiently large to answer all the purposes of a terminal. Mrs. Davidson owns on the north side of Ohio avenue about 4,500 square feet, with fifty-three feet frontage and seventy-five feet in depth. This plot of ground is within a few feet of the Fourteenth street corner, and the loca-Fourteenth street corner, and the location would require the construction of only one block of trackage. Railway officials and real estate men have been the place where considerable refuse is officials and real estate men have been looking at the Davidson property, and, according to Commissioner Biddle's reply to Mr. Senseney, Mrs. Davidson's proposition will be taken up and given due consideration. The acceptance of Mrs. Davidson's property for the new station would mean the extension of tracks from Thirteen-and-a-half street, which the road now occupies, along one square of Ohio avenue to Fourteenth street, and there to make connection the place where considerable refuse is cast.

Baseball.

The Alexandria Athletic Association will play a game of ball on the fair grounds tomorrow, June 23rd, at 5:30 p. m. with the Primrose Athletic Association from East Capitol street, which the road now occupies, along one your of Ohio avenue to Fourteenth street, and there to make connection players who were in Alexandria some street, and there to make connection players who were in Alexandria some with the present line again. It is pointed out that Ohio avenue is not now used to any great extent for teaming, nor does it present the objections that have been raised to the proposed loop around Emergency Hosnital gency Hospital

The rain fell in torrents and for a time the lightning was almost in-cessant. There were some vivid flashes and heavy peals of thunder, although so far as is known no damage re ulted.

Some rain fell during the afternoon in the neighborhood of Seminary Hill, but in the Mount Vernon neighborhood the storm was more severe. The hailstones for a time fell thick and fast.

The steamer Norfolk which arrived up this morning reported having passed through storms after leaving Old Point. They continued during the steamer's run up the bay and for some time after she entered the Potomac river.

### The Elks' Excursion.

Notwithstanding the meteorological conditions yesterday, the excursion given by Alexandria Lodge to River View was a decided success. Each trip of the steamers was marked by large crowds. There were a succession of rain storms which marred the pleasure of the excur-sionists somewhat. About the time one of the evening boat was preparing to leave this city another heavy down-pour of rain, accompanied by vivid lighting and crashing thunder, set in, and numbers who had determined to patronize the excursion were deterred from going aboard the boat. Many, however, braved the elements and the steam-er proceeded down the river amid the torrential rain and the electrical display. The clouds finally broke and the excursionists after reaching River View entered into the enjoyments they had antici-
